Henderson Road Lot

Residential

This .321 acre lot is 'gateway property' adjacent to The Preserves at Parkins Mill, an outstanding upscale residential community. The lot has an exceptional location relative to Laurens Road, Verdae Boulevard, Haywood Road, and Interstate 85.

This lot could be the foundation for an attractive single family home or potentially subdivided into two smaller lots for attractive cottage houses.

The existing 600+ square foot structure is listed 'As Is' with zero market value.
